JUNGLE RUMBLE

Golf. Eat. Drink.

An unmatched crazy golf experience in on Brighton's Sea front, with 36-holes packed full of quirky obstacles and expertly designed to balance skill vs luck. When the golf is finished, your party is only getting started.

Jungle Rumble boasts a fantastic cocktail list and a stunning terrace bar overlooking the sea.

Who We've PARTIED WITH

Myself and 30 'Top Performers' had a superb time; with a stunning bar, delicious cocktails and of course great entertainment for all with the mini golf, this was truly an event to be remembered.

It really was a great event, thank you for all your help. Hopefully we will be back in the future.

It was a great evening, enjoyed by all. Everything was just how we hoped it would be. The staff were very friendly and attentive and the venue was absolutely stunning. It was great to have the choice to play golf as and when we wanted to. The courses were fantastic. I'd definitely recommend full venue takeover, it was well worth the money.

I didn't really get the chance to get any pictures as I was way too busy drinking cocktails.
